MEMORANDUM FOR: Office of Logistics/Procurement Division/Contract Branch

SUBJECT : Request for Additional Funds under Task II, Contract FD-112, [redacted] 25X1

REFERENCE : A. Memorandum for OL/PD/CB from C/TSS/ED dated 16 April 1957

B. Memorandum for OL/PD/CB from C/TSS/ED dated 15 August 1957

1. Reference A requested initiation of Task II under Contract FD-112 with [redacted] 25X1 for the design, development, fabrication, and testing of an explosives initiating device to permit the pilot of [redacted] 25X1 Aircraft to destroy, during an emergency, selected classified items on board the aircraft. The original proposal, dated 4 April 1957, called for the fabrication and testing of parts and components necessary to prove the design during development. This testing, along with technical difficulties and administrative problems, has resulted in the contractor's request for additional funds under this task to complete the work required under the original proposal. Since these additional funds are for continuation of the work as requested in reference A, and do not come under the change of scope as requested in reference B, charges will be made against fiscal year 1957 funds.

2. It is therefore requested that Task II under Contract FD-112 be amended in the amount of $17,631.21. This amount, $1,739.65 less than that stated in the proposal attached hereto, is the result of recent negotiations with the contractor concerning their proposal. Charges for the additional funds are to be made against Allotment Number 7-2702-10.

3. Additional information concerning this request may be obtained from the project engineer, [redacted], Room 230, West Quadrangle, extension [redacted] 25X1 25X1
